

THE YUK TUNG GROUP

The Hallmark of Excellence

The Yuk Tung Group performed a hat trick performance at the recent International Property Awards Asia Pacific 2012 when they bagged three highly coveted accolades - 5 Star Best Apartment Malaysia, Highly Commended Architecture Multiple Residence Malaysia and Highly Commended High-Rise Architecture Malaysia for their Central Residence SOHO @ Sungai Besi, Kuala Lumpur development.

Acclaimed for their prestigious homes of distinction, the Yuk Tung Group has through the years garnered recognition from Asia Pacific Residential Property Awards. In 2010, the Group walked away with the 5 Star Award - Best Development for the Peak @ Bukit Prima, Cheras. They also clinched the Best Rising Developer in the SC Cheah Choice Award, Straits Times Property Best Developer 2010.

In 2011, the Group was awarded four prestigious awards by Asia Pacific Property Awards - 5 Star Award - Best Architecture Multiple Residence, Highly Commended - High Rise Architecture Malaysia, Highly Commended - Apartment Malaysia and Highly Commended - Residential Property Interior Malaysia for the Kiara 3, Mont Kiara.

Managing Director of the management company, HR Group, IR Tan You Hock said that the three awards bestowed this year upon the Central Residence SOHO, showcases all the finer points of multiple residential and small office living that includes a superbly conceptualized yacht-like recreational deck lushly surrounded by trees, turf, shrubbery to endow the high-rise with vertical landscape.

“As a developer that strives to set ourselves apart from other developers in the country, the numerous accolades awarded to the group is a testament to our relentless pursuit to deliver quality and design excellence,” added IR Tan You Hock.

He added the Group has established itself as a formidable brand in the local and regional markets with its vision to promote quality lifestyles through innovation in the Asia Pacific region. This topped with their mission to strive to further enhancing quality and efficiency, the group has also paved the way for enlightened home-making of a new era as well as excellent investment opportunities for all parties. 🌱
